SUBJECT: ELIGIBILITY POLICY ASSIGNMENTS BY SUBJECT AREA

As you may know, the Medi-Cal Policy Section recently moved to another location. Due to the new phone lines and related moving activities, your staff may have experienced problems getting through to us or receiving responses to your inquiries. We apologize for any inconvenience you may have experienced during this period. Also, some of our staff are participating in a Voice Mail pilot project. We have experienced technical problems with this system which may have caused some lapse in communication. Again, we apologize for any inconvenience. If you continue to experience a delay in response from staff participating in the telephone pilot, please contact them again using the general phone number (916) 322-2100 for Policy staff and (916) 445-1912 for all other staff.

Several changes in staff assignments have occurred in the last few months. Enclosed is the updated list of eligibility policy assignments by subject area.

To remain current, please use the enclosed list of Medi-Cal policy eligibility assignments by subject, each with the name of the assigned analyst(s), back-up analyst, if any, and manager. Included for your use are their phone numbers.

When questions arise in one of the policy subject areas, please phone the assigned analyst(s). If neither the analyst nor the back-up is available, please leave a message with the receptionist. Your call will be returned as soon as possible.

Sincerely,

Original signed by

Frank Martucci, Chief
